Buy –a-Brick Or Granite Plaque

The PTO is looking to beautify the front of the school by adding a brick walkway in the front which will wind through where the front landscaping is (see pictures above).

You may purchase a Basic Brick which measures 4"x8" and includes 2 lines with 15 characters per line (the letters "W" and "M" are each considered two characters).

The cost of the Basic Brick is \$50.

Extra text may be added as a third line for an additional cost of \$15.

You may also purchase a Granite Plaque which measures 15.75x15.75 and includes up to 75 letters (no logos).

The cost of the Granite Plaque is \$400.

These are great for families, businesses, and for remembering someone special and really stand out in the walkway.
